Group 10-Year Level Term Life Insurance

For Members of The State Bar of California and Their Families

10 YEAR LEVEL TERM LIFE INSURANCE FEATURES AND HIGHLIGHTS

Term coverage is the purest kind of life insurance, with no costly savings features. Here is term life insurance you can depend on for a full ten years, for premiums that will not go up for 10 years and benefit amounts that will never go down. Available to members and spouses under age 70, the Group 10-Year Level Term Life Insurance helps you protect your family from the financial burdens of your or your spouse's premature death. Your coverage continues until age 80, provided you pay premiums when due, you remain a member and the group policy remains in force. You can select a coverage amount to help meet your needs, from \$100,000 up to \$3,000,000. The policy features "Preferred" and "Select" Non-Tobacco/Nicotine Use Rates and you can benefit from volume discounts when you apply for higher amounts of insurance. Plus, send no money until you are approved.

ELIGIBILITY

Members and their lawful spouses of The State Bar of California under age 70 may request coverage. Your children ages 6 months to 26 years are each eligible for \$5,000 of life insurance. Children up to 6 months may be insured for \$1,000 each. In order to become insured, individuals must provide satisfactory evidence of insurability and the required premium must be paid.

This coverage is available only for residents of the United States.

APPLY FOR UP TO \$3,000,000 OF COVERAGE

Choose the amount of Group 10-Year Level Term Life Insurance you need to help protect you and your family for the next ten years – without the worry of premiums that could go up or benefits that could go down.

Amounts Of Insurance:

Members—\$100,000 to \$3,000,000 in \$25,000 multiples.

Spouse—\$100,000 to \$3,000,000 in \$25,000 multiples.

The total amount of coverage an individual may have under all group life insurance policies underwritten by New York Life Insurance Company may not exceed \$3,000,000. In addition, the total amount of coverage an individual may have under all policies issued by New York Life Insurance Company to The State Bar of California may not exceed the maximum benefit option for any insured person.

FEATURES

Pay Less If You're a Qualified Non-Tobacco/Nicotine User
Non-Tobacco/Nicotine User meeting the highest underwriting standards may qualify for the Policy's best rates. Other insureds may qualify for higher, but still specially negotiated rates.

Continuing Insurance After the 10-Year Term Ends

Premiums are guaranteed to remain level for the first ten years of coverage. At the end of the 10-year period, you may reapply for 10-year level term rates then in effect for a subsequent 10-year period, provided the insured person is under age 70 and otherwise eligible. If your application for a subsequent 10-year term of guaranteed rates is approved, your premium contribution will be based on the insured's person's age, health and tobacco/nicotine use at the time coverage becomes effective and will be guaranteed for a new 10-year term.

If you and your spouse are not approved for a subsequent 10-year term of guaranteed rates, or you do not apply for a subsequent 10-year term, coverage will continue in force, subject to the renewal terms of your certificate, on a non-guaranteed rate basis, under which premium contributions increase annually as the insured ages.

Help Keep Your Cost Manageable

Rates have been provided on an annual basis per \$1,000 of coverage to make it easier for you to compare this coverage to other insurance coverages on the market today. Four modes of payment are available to suit your budget (monthly, quarterly, semiannually and annually).

OTHER IMPORTANT INFORMATION

Valuable Living Benefit Provision "Accelerated Death Benefit"

The "Accelerated Death Benefit" option is available to help terminally ill insureds during a difficult and often financially challenging time. Under this provision you may request one advance payment equal to 60% (\$250,000 maximum) of your (or an insured dependent's) in force life insurance to be paid while the terminally ill person is still alive. The amount of insurance payable after the insured's death will be reduced by this payment. (Premium contributions will not be reduced.)

To qualify, a terminally ill insured must provide New York Life Insurance Company with proof of terminal illness and anticipated life expectancy (12 months or less), as well as any other necessary medical information requested. For additional details and limitations, please see the Certificate of Insurance.

Please note that receipt of Accelerated Death Benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor.

Exclusions

Coverage is payable for death by any cause except death from suicide during the first two years of coverage, whether sane or insane, for which the only benefit payable is the return of applicable premium contributions. The validity of any amount of life insurance which has been in force for two years during an insured's lifetime will not be contested except for insurance eligibility provisions and nonpayment of premium contributions.

You Name Your Beneficiary

You may select any person, persons, trust or other legal entity as your beneficiary. If, at the time of your death, there are no surviving beneficiaries, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life Insurance Company, to the surviving relatives in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally.

Effective Date

Insurance will take effect on the first of the month after your application is approved by New York Life Insurance Company provided the initial contribution is paid within 31 days after the date you are billed (send no money now) and any person to be insured is actively performing the normal activities of a person in good health of like age on the date, NC residents (a person of like age) of approval. Any person who is not performing his/her normal daily activities as required will not become insured until the day he/she is performing such activities. Any person to be insured must also not be hospitalized on the date your insurance is to take effect. If so, insurance will take effect on the day after you are discharged.

When Coverage Ends

Coverage will end when the insured person reaches age 80 (26 for dependent children) or earlier if: (a) premium contributions are not paid when due, (b) the group policy is terminated or modified by New York Life or the Policyholder to end insurance for the class of insureds to which the person belongs, (c) membership ends and (d) if the insured requests to terminate insurance.

Renewal Payments And Claims

Once you are accepted into the policy, you will have a 31-day grace period for your payment of renewal premium contributions. When you want to submit a claim, call or write the Administrator for claim forms.

For an annual premium of \$7.00, you can cover all of your eligible for \$5,000 each (\$1,000 if under age 6 months). Note: Premiums are guaranteed to remain level for the first 10 years of coverage. Then, if still eligible, you may reapply for 10-year level rates then in effect for a subsequent 10-year term; rates for a subsequent term would be determined based on the insured person's then current age, health and tobacco/nicotine use and guaranteed for 10 years. If you or your spouse are not approved for a subsequent 10-year term of guaranteed rates, or do not apply for a subsequent 10-year term, coverage will continue in force on a non-guaranteed basis with increasing premiums as the insured ages.

Then, if still eligible, you may reapply for 10-year level rates then in effect for a subsequent 10-year term; rates for a subsequent term would be determined based on the insured person's then current age, health and tobacco/nicotine use and guaranteed for 10 years. If you or your spouse are not approved for a subsequent 10-year term of guaranteed rates, or do not apply for a subsequent 10-year term, coverage will continue in force on a non-guaranteed basis with increasing premiums as the insured ages.

For an annual premium of \$7.00, you can cover all of your eligible for \$5,000 each (\$1,000 if under age 6 months). Note: Premiums are guaranteed to remain level for the first 10 years of coverage. Then, if still eligible, you may reapply for 10-year level rates then in effect for a subsequent 10-year term; rates for a subsequent term would be determined based on the insured person's then current age, health and tobacco/nicotine use and guaranteed for 10 years. If you or your spouse are not approved for a subsequent 10-year term of guaranteed rates, or do not apply for a subsequent 10-year term, coverage will continue in force on a non-guaranteed basis with increasing premiums as the insured ages.

For an annual premium of \$7.00, you can cover all of your eligible for \$5,000 each (\$1,000 if under age 6 months). Note: Premiums are guaranteed to remain level for the first 10 years of coverage. Then, if still eligible, you may reapply for 10-year level rates then in effect for a subsequent 10-year term; rates for a subsequent term would be determined based on the insured person's then current age, health and tobacco/nicotine use and guaranteed for 10 years. If you or your spouse are not approved for a subsequent 10-year term of guaranteed rates, or do not apply for a subsequent 10-year term, coverage will continue in force on a non-guaranteed basis with increasing premiums as the insured ages.
